

appetizer PACKAGE

*Introducing the newest way to make
your application idea come to life!*

The **appetizer package** gives you the collateral you need to pursue an investment to fund an entire project.

Included in the package you will receive:

- **2 HOUR** EXPERT THINK TANK SESSION
- **7** CUSTOM DESIGNED APP SCREENS
- **30** SECOND PROMOTIONAL VIDEO
- **COMPLETE** SCOPE OF WORK DOCUMENT
- **DESIGN** FUNCTION PROTOTYPE

A normal application project can cost upwards of \$50,000, a fee not feasible to most individuals. The **appetizer package** makes it realistic for individuals with application ideas to have their concepts become a reality. The package creates a digital representation of your application, allowing you to further pursue development more effectively.
